Take a Stand Against Patient Falls

Hospitals that helped develop the NEW Preventing Falls TST[®] reduced patient falls rates by 35% and falls with injury rates by 62%. These results translate into an annual cost avoidance of approximately \$1 million for a 200 bed hospital and \$1.9 million for a 400 bed hospital. Now, Joint Commission-accredited organizations may experience the same success.

Benefits from implementing the new Preventing Falls TST[®] may include:

- **Improved patient safety**
- **Reduced cost**
- **Solutions targeted to your organization's unique needs**
